RESPONSE TO NOTICE TO FILE MISSING PARTS OF APPLICATION

Box MISSING PARTS

Commissioner of Patents and Trademarks

Washington, D.C. 20231

Sir:

On August 14, 1998, a Notice to File Missing Parts of Application was mailed to applicants, apparently on the grounds that the filing fee paid with the application was insufficient.

Applicants paid \$469 with the application, which consisted of \$395.00 for the small entity basic filing fee, \$41 for the small entity fee for independent claims in excess of 3, and \$33 for the small entity fee for total claims in excess of 20. As such, applicants believe the proper filing fee was paid.

Apparently, the Notice of Missing Parts of Application was mailed on the grounds that it was the belief of the Patent Office that applicants filed as a large entity. However, in the Patent Application Transmittal Letter filed on July 31, 1998, under box 14 which refers to small entity status, applicants checked the box marked "Statement filed in prior application. Status still proper and desired". A copy of this Transmittal Letter is attached hereto as Exhibit A.

Therefore, it is respectfully submitted that applicants properly designated their small entity status with the filing of the application. As such, it is respectfully submitted that the proper filing fee has been paid.

As it appears that the Notice to File Missing Parts of Application issued in error, it is respectfully submitted that no fee is required for this Response to File Missing Parts of Application.

Should further questions remain, it is respectfully requested that the undersigned be contacted at 415.362.3800.

Respectfully submitted,

Date: August 20, 1998
